Dear Sir:

Attached is a copy of the official filing receipt from the United States Patent and Trademark Office for the above-referenced application for which issuance of a corrected filing receipt is respectfully requested. There is an error with respect to a claim for priority. The inventor never intended to make a claim to priority to this unrelated application. The claim was not in the application or the declaration. Applicants request the following corrections, which are also noted in red on the attached copies of the filing receipt:

Please delete the claim for priority to U.S. Provisional

Application No. 60/224,307.

It is believed that there is no charge for requesting a corrected filing receipt; however, if any charges are deemed necessary, applicants hereby authorize the United States Patent and
